

SMANNELL FASTER BROADBAND SERVICES

Are you tired of waiting for a decent broadband connection?

Is the BBC iPlayer slow and jittery?

Are slow internet speeds stopping you working from home?

FASTER BROADBAND IS NOW AVAILABLE IN SMANNELL

To overcome the problem of poor broadband speeds in Smannell a new WiFi aerial has been installed opposite the school.

This aerial delivers reliable broadband services with speeds of between 10Mbps and 20Mbps to households and businesses in Smannell, which lets you:

- watch the BBC iPlayer without interruptions
- download music and movies in minutes
- do homework online
- go shopping online
- work from home
- use internet banking
- cut phone bills and keep in touch using Skype and other social media
- access health, jobs and recreation at the touch of a button
- access all of these services at the same time using different devices in your home.

How do you get it?

After a one-off activation fee of around £50, services are available from £30 per month.

Hampshire
County Council

www.hants.gov.uk

First, get in touch with one of the ISPs listed on this page.

They'll send you what you need to get connected.

Just set up your router and computer as per their instructions ...

And enjoy your superfast broadband!

LITTLE LONDON AND SMANNELL **COMMUNITY BROADBAND**

These two companies have told Hampshire County Council that they are able to offer internet services via the WiFi aerial located opposite the school in Smannell.
